**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The changes in regulations under Trump's extremism is bad for competition. My ISP, Sonic, could go out of business forcing my costs to double.

Competition and a free market are supposed to minimize prices - not force prices to skyrocket. Where's your competitive spirit?

Thank you
- jim
